

SHIZUOKA brand CNC milling machine
Model : AN-SRN Recondo mill 2025 (Base 1991-1996 year)
Control unit : FANUC Oi-MF Plus NT-40 6,000 rpm

《SPECIFICATION》

Travel (X, Y, Z) : 750 × 450 × 400 mm
Table work surface size : 1,100 x 400 mm
Table groove dimensions : 18 mm x 4 grooves x 100 mm
Table loading capacity : 300 kg
Spindle speed : 20~6,000 rpm
Spindle spindle : NT40
Bearing content : 55 mm dia.
Quill vertical travel : 140 mm
Quill vertical feed rate (per revolution) : 0.035/0.07/0.14 (3 steps)

Machine dimensions : 1,920 × 2,160 × 2,391 mm
Required area : 2,900 x 2,400 mm
Machine weight : 3,100 kg

《OPTION》

Number of controlled axes /
Number of simultaneously controlled axes: 3 axes (X, Y, Z) / 3axes
Machining guidance function
Rigid tap
USB memory input/output
Expanded program editing
Automatic power off
Manual 3-axis round handle
10.4 " color LCD
With arc and diagonal machining
Cutting oil tank
Lighting device
